

Job Title: Bench Joiner

Skills: Carpentry, joinery, Timber Frames, Fitting Furniture, Timber Sash Windows

Salary: Competitive, Dependent on experience

Nicholson Group , an award winning landlord and developer with over 250 properties, are seeking a highly motivated and skilled individual who can work to timescales to use their expertise in making timber framed windows for a large ongoing heritage project in St Helens.

The role will include assisting in later stages of the project such as fitting floors, kitchens and hanging doors.

This is a full time position and will transfer to the group's other projects.
